### October 1, 2009 Davy Creek Task Force

TOWN OF ASHIPGUN  
SPECIAL MEETING  
October 1, 2009  
4:00 P.M.

The Ashippun Town Clerk posted this meeting of the Davy Creek Task Force and the Ashippun Town Board.

Chairman Panozzo called the meeting to order at 4:00 p.m. Town Board members in attendance were: Chairman Steve Panozzo, Supervisor James Meyer, Supervisor William Bremer and Clerk/Treasurer Vickie Schlieve. Attending from Alpha Terra was Ken Ebbott. Arriving at 5:00 p.m. was Jim Knowles. Also in attendance was: Jim Jungbluth, Al Schure, Norm Greeb, Don McCollum, Don Kehl, Jim Schlieve, and Jerry Thiemke.

The purpose of this meeting was to discuss the next steps needed for the Davy Creek project. Ken Ebbott, Environmental Consultant from Alpha Terra explained his ability to seek out grants from the state that could be applied to this project. A Site Investigation Grant or an Industrial Pollution Grant could possibly fit our needs.

It was the consensus of the group that the engineering portion of the project needs to be done first. The group also agreed that soil samples should be done prior to the engineering in case contaminants are found in the project area. If contaminants are found, then the engineering costs would not need to be spent.

Jim Knowles, project manager, explained that this project is an extension of the work that has already been done by the DNR.

The meeting was adjourned at 6:05 pm.

Respectfully submitted,

Vickie Schlieve, Clerk/Treasurer
